

## Manual for participants

You are invited to join a conference call that is operated by newConference. In this manual you can read how simple it is to use newConference.

### Required information

The chairperson of your meeting has provided the following information:

- ✓ the starting time of the meeting
- ✓ the phone number of newConference: +46 (0) 850662761
- ✓ the conference code

### Join the meeting

1. At the agreed time call +46 (0) 850662761
2. Enter 1 to join the meeting
3. Enter the conference code followed by the hash/pound key (#)

### Features

By entering the key of your phone during a meeting you will get an IVR-menu that offers some convenient features:

- 1 Microphone on/off
- 4 Decrease speaker volume
- 6 Increase speaker volume
- 7 Decrease microphone volume
- 9 Increase microphone volume
- 8 Exit menu

### Control Panel

At the Control Panel that can be found at [se.newconference.com](http://se.newconference.com) you can follow the status of your meeting: who is present, when did he or she enter (and perhaps leave) the meeting. Here it can also be seen if the meeting is recorded.
